## SUMMARY

I am a student, a learner and an aspiring software developer. I am interested in learning topics related to computer science. The main reason for interest in computer science is to develop Problem solving abilities. I am passionate about implementing and launching new projects.

## EDUCATION

Degree	Institute	Board / University	CGPA/Percentage	Year
B.Tech ECE	Tezpur University, Tezpur	Central	7.80 (Till 3rd Sem)	2021-2025
Senior Secondary	Kendriya Vidyalaya Central University Tezpur	CBSE	93.6%	2021
Matriculation	Kendriya Vidyalaya Central University Tezpur	CBSE	96.6%	2019

## PROJECTS

### • To-Do List

ReactJS, Git

March 2023 - March 2022

[Github](#)

- A to-do list application that allows users to create, edit, and delete tasks, as well as delete all tasks at once. The application is user-friendly and responsive, making it easy for users to manage their daily tasks.
- One of the standout features of the application is its ability to store tasks as local storage. This means that even if the user closes the application or refreshes the page, their tasks will be saved and accessible the next time they use the application.

### • Restaurant Menu

ReactJS, Git

Dec 2022 - Jan 2023

[Github](#)

- Restaurant Menu is a dynamic front-end website built using React.js that displays a list of items served at a restaurant. The website classifies the items according to their meal times - breakfast, lunch, dinner, etc.
- The website is dynamic and interactive, pulling data from an API to display the items in real-time. When a new category of food is added to the API, the website will automatically load the new category without requiring any changes to the codebase.

### • TechVerse

HTML, CSS, Git

Dec 2022 - Dec 2022

[Github](#)

- TechVerse is a website which acts as a tech superstore. It contains products in different sections of gadgets like Laptop, Smart-Phone etc.
- The website shows some latest products and then redirects you to a link with a greater number of products to select from.
- Deployed on GitHub pages via GitHub actions.

## TECHNICAL SKILLS

- **Programming Languages:** Java, C, Python, HTML, CSS, JavaScript, SQL.
- **Tools and Frameworks:** Bootstrap, JQuery, ExpressJs, NodeJs, React.
- **Operating Systems:** Windows, MacOS, iOS & Android.

## KEY COURSES TAKEN

- **CSE & Maths:** Introduction to C, Fundamentals of Computers, Object Oriented Programming in Java, Data Structures and Algorithms, Python Programming, Operating System, Discrete Mathematics, Computer Networks & Security.
- **Others:** Basic Electronics & Electrical Engineering, Digital Electronics.

## CERTIFICATIONS

- **Web Development:** Udemy
- **Hackathon(Participation):** [Blue-Learn](#)
- **Introduction To Python:** DataCamp

## POSITIONS OF RESPONSIBILITY

- **Problem Solver,** [LeetCode](#) Oct 2021 - Present
- **Student Volunteer,** NSS, Tezpur University Nov 2021 - Present
- **Member,** Tezpur University Computer Society Apr. 2022 - Present

## MISCELLANEOUS

- **National Children Science Congress,** Participated in open national level in Pune, India. 2017
- **Matriculation,** Secured position in top 0.1% in India. 2019
